

The Key to Success Is You
By Lesley Dunn, Executive Director

Life is about choices
You have made the biggest one
You chose learning as a tool
To help you carry on.

So when the day is challenging
The path not clear at all
Remember you have shown us
You're in there for the long haul.

We often speak of reasons
For all the things we do
In life there are no secrets as
The Key to Success Is You!

To All Our Learners
